

# Mogul mastermind #13

*September 28th 2016*

## **Introduction & Market update:**

We will introduce the meeting and provide some useful insights into what should be happening into the winter season in Edmonton.

## **More Practical Tips on Infill Development:**

Tommy Kalita is back again by popular demand to give us some valuable information on infill development and some dynamite tips on how to maximize your project.

## **Networking:**

Meet with real movers and shakers in real estate, our networking breaks focus on topics and activities designed to help move you forward.

## **Keynote Presentation: James Knull**

### **Secrets to Building a Relationship with your Property Manager**

James will be giving a presentation on these key points:

1. Set Expectations Early
2. When & How to Follow up
3. How to Maximize your Rent
4. Ensure Timely Repairs
