

Mogul mastermind #3

November 25th 2015

Introduction & Market update:

We will introduce the meeting and provide a quick market update.

Property Analysis:

We will be taking a sample property from the available inventory and analyzing the physical condition of the property by reviewing multiple photos. The idea is to go through the process of screening a [property to determine whether or not it makes a suitable target.

Networking:

It always important to get to know the people in your network.

Detailed breakdown of Edmonton neighborhoods:

Most investors and local Edmontonians know there way around the city and a couple of target neighborhoods. This meeting will explore the city and surrounding areas in great detail talking about the types of deals available in different regions and discussing what kind of opportunities you may not have thought about.
