

## Mogul mastermind #5

*January 27<sup>th</sup> 2016*

### Introduction & Market update:

A quick comparison of this market to other slow markets in the past.

### Deal analysis:

We're going to take a new approach to analyzing deals. This time, we're going to look at MLS listing sheets to look at the kinds of things you as investors should be looking at in order to qualify properties.

### Networking:

As usual, It always important to get to know the people in your network.

### Key note speaker- Rent to Own 101:

Victor and Maribel are full time Professional Real Estate Investors since 2006; both passionate about houses: buying, selling, renting, it doesn't matter, the goal is always to look for a win-win situation for all parties. They are long time members of REIN, the Real Estate Investment Network, members of Ron Legrand's Real Estate Masters Program, Victor and Maribel are well-versed in a wide variety of Real estate strategies. They have developed a well-rounded business model through the ongoing help of their mentors, peers and others attending the school of hard knocks.
